

About US

Uganda Professional Drivers' Network (**UPDN**) is an Umbrella **NGO** for drivers' associations in Uganda. UPDN was established in 2014 and registered as a legal entity with the **National NGO Board** under the **Ministry of Internal Affairs** in 2016.

Our Vision

To be a centre of Excellence in development of professional driving industry in Uganda.

Our Mission

Professional driving industry for improved road transport.

Motto

Empowered drivers, Safer Roads.

Our Objectives

- To build capacity of drivers and their organizations in Uganda.
- To promote equal opportunities for women in the driving industry.
- To provide information and a platform for advocacy on road safety and health of drivers
- To respond to health, wellness and welfare of drivers and their families in Uganda

Our Philosophy

Nothing is better than a harm reduction approach towards development.

Core Values

- Professionalism.
- Accountability.
- Team work.
- Non-Discrimination.

Our Core activities include;

- Professional training for drivers with emphasis on promoting women involvement and youth employment.
- Coordinating the implementation of programs addressing HIV, non-communicable diseases, and road safety issues among drivers in Uganda.
- Establishing a platform to facilitate employment for drivers with particular focus on women and youth.
- Collecting and disseminating information on the driving industry to facilitate decision making for all stakeholders.
